Dear Murray

What a great Sportsman's Lunch we had on Friday 13 June.

I wanted to personally thank you for your continued support of both Special Olympics and the Turnaround Management Association.

We are delighted with the outcome from the lunch including the significant increase in attendance to a record 660; the quality of the venue and the lunch; and the outstanding financial outcome which we believe will exceed \$150,000 once all funds are received.

I note the proximity to the end of the financial year and I have taken the liberty to attach details of our key corporate leadership support initiative, our Sports Fan 1000 program.

I have also attached an invitation to our Special Olympics Variety Night Gala Dinner – "Shine" to be held in the same ballroom on Friday 29 August. This is an ideal event to take a corporate table and bring your partners. Some of Australia's leading performers will participate on the night.

Your support will continue to help improve the lives of people living with an intellectual disability and their families.

The Turnaround Management Association has sponsored events for Special Olympics which this year will account for almost 25% of Special Olympics Australia's total funding.

I would welcome and encourage you to join this rapidly growing organisation that is dedicated to Corporate Renewal.

If you require any further information please do not hesitate to contact Fran Eustace, Business Development Manager, Special Olympics Australia on 0418 476 866 or email frane@specialolympics.com.au .

Once again, thank you from all our families for your support.

Kind Regards

Ian Hyman
